

## THE LORRAINE

The Lorraine has similar lines as our Memphis family, but with a smoother flowing profile. This Octagonal tapered pole with an 18" flat to flat stepped base is available in all of our decor colors and finishes in heights up to 30', making it an ideal choice for outdoor street-lighting specifiers.

\* Consult website for full listings. \*\* See decor colors on page 2 for full selection of colors.  
\*\*\*Anti Graffiti Coating is extra, consult factory for more details.

## Footing Details

### Direct Buried

(Simple and Cost Effective)

1. Auger the setting hole.
2. Set pole in hole and plumb straight.
3. Backfill\* with required backfill tamping every 4" to 6".

### Baseplate Option 1: FBP

### Baseplate Option 2: SBP

\*Generally the excavated material can be used for backfill, in some situations better backfill may be required.
